DESIGNED FOR
EXQUISITE
ADVENTURES

SCOTLAND'S TAY
COUNTRY IS A
DESTINATION TO
BE TRULY
SAVOURED.

This itinerary includes the best of Scotland - from action-packed adventures and activities to stunning hotels and some of the best food in the world. Give your clients a true flavour of Scotland in the very heart of the country.

DAY ONE

Start your clients' adventure in Tay Country with the Land Rover Experience, a three-hour action filled session, with guests developing their driving skills and gaining a greater understanding of vehicle control, obstacle handling and how to assess different environments. Guests drive the latest model Land Rover, an iconic British car brand, through some of Highland Perthshire's most spectacular rugged off-road terrain spotting local wildlife along the way.

The Land Rover Experience in Dunkeld is centrally located in Perthshire, within easy reach from key cities and it is recommended, if possible, your clients overnight in the region prior to beginning this tour.

After the excitement of the morning's activities, lunch will be a relaxed but stylish affair at the local gem, **the Taybank**, a much-loved venue famous for its spectacular riverside setting with a warm atmosphere. Clients will enjoy their meal in the cosy downstairs bar sharing the space with locals and visitors, with small and large plates on offer using the best of local produce.

Be sure guests save space to enjoy a chocolate tasting at **Highland Chocolatier** in Pitlochry. The proprietor Iain Burnett grew up on a Scottish island learning to combine spices with local ingredients in his father's kitchen. Further training under Master Chocolatiers of the French, Belgian and Swiss schools, have led to Iain's unique style of chocolate making.

Guests can enjoy Iain's Audio-Guided Chocolate Tasting Flight, a unique chocolate tasting giving guests an insight into the art of a world-class chocolatier while experiencing the Milk & Caramel Velvet Truffles that have graced the tables of famous chefs and royalty.

Of course, no visit to Scotland would be complete without a visit to a distillery – and **Glenturret Distillery** offers a very special experience– the Whisky Maker’s Tour. Set in the beautiful Perthshire countryside, The Glenturret Distillery is Scotland's oldest working distillery. Glenturret Malt Whisky is still hand-crafted today as it was over two centuries ago using the only remaining hand-operated mash tun in Scotland. On the Whisky Maker’s Tour, guests will journey through the distillery’s remarkable history, followed by guests honing their own whisky-making skills in creating a unique 100ml whisky to take home and enjoy.

SCOTLAND'S TAY COUNTRY

Guests may consider staying on for a unique gastronomic experience at the remarkable **Lalique Restaurant**. The restaurant reflects the distillery’s proud 250-year history and marries it with stunning new interiors, truly innovative cooking, world-class wines and sophisticated service. Advance booking is required.

Overnight can be another Perthshire gem, the **Gleneagles Hotel**. Sited on an 850-acre estate with two championship golf courses, Gleneagles offers endless opportunities for outdoor fun and adventure.

Think countryside adventures by day, and roaring log fires and decadent Michelin starred dining by night. Luxurious 5-star hotel bedrooms are individually inspired by the mountains and meadows, rivers and lakes of the Perthshire countryside.

And for those wishing to relax, the spa offers beautiful spaces for relaxation, restoration and rejuvenation. Spa treatments are designed in collaboration with some of the world’s leading wellness brands and vitality and wellness are at the heart of the experience.

Your clients might wish to extend their stay at Gleneagles for two nights to make the most of their visit to this stunning resort.

DAY TWO

Leaving the hotel this morning, your clients could head to Perth where a custom-built display is being created for the **Stone of Scone**. Also known as the Stone of Destiny, this ancient symbol of Scotland’s monarchy, was used for centuries in the inauguration of its kings. In 1296, King Edward I of England seized the stone from the Scots, and had it built into a new throne at Westminster. From then on, it was used in the coronation ceremonies of the monarchs of England and Great Britain.

On Christmas Day 1950, four Scottish students removed the stone from Westminster Abbey in London. Three months later it turned up 500 miles away – at the high altar of Arbroath Abbey. In 1996 the stone was officially returned to Scotland. Today it is one of the priceless treasures on display in the Crown Room at Edinburgh Castle. It will be installed in the Perth Museum in 2024.

Your clients can take in the pure Scottish air while travelling through the hills and glens in the open air of Angus, with a trike tour. A **Rewaco Trike Tour** is an experience your guests will not quickly forget. Tours can be tailor made taking in castles, distilleries and spectacular coastal views and can vary in length.

For a truly Scottish experience not to be missed, arrange a casual lunch after the trike tour for your guests sampling one of the pies of the **Wee Cook Kitchen** – its awards include the Guild of Fine Foods ‘Great Taste’ Awards, British Pie Awards and Young Pie Maker of the year 2021 and 2022.

From Brechin your guests will take a scenic drive along the coast to St Andrews for their next overnight. St Andrews is a must-visit destination: from the Scottish setting for Royal romance, to its famous West Sands beach immortalized in the Oscar-winning movie Chariots of Fire, St Andrew’s also boasts a Cathedral, aquarium and many boutiques. Oh, and did we mention golf?

- [Peat Inn Restaurant with Rooms](#)
- [Old Mause of Blair](#)
- [Gordon’s Restaurant with Rooms](#)
- [Grandtully Hotel](#)
- [Monachyl Mhor](#)

DAY THREE

This morning your clients can look forward to an extraordinary half-day experience. **Elite Falconry** guides your clients through the handling and flying of birds of prey, starting with some delightful owls. Then they will take an easy walk out over the steading with a hawk that's flying free but working with and from the guests.

After some extended flights you will take a short Land Rover drive to where there is space to give guests a close encounter with a falcon, kite or caracara according to the weather. And finally, guests will fly one of the more friendly eagles which can make tremendous heights on thermals or rising air currents if weather conditions allow. When in the right place and at height, the signal is given and the bird will swoop in at great speed to land (gently) on the client's gloved hand! All activity is closely instructed and supervised giving guests a taste of the ancient art of partnering man with nature's top aerial predators.

After this exciting morning your clients' thoughts will surely turn to food. So, their next activity could be a half day **Fife Food Tour** with Christopher Trotters. Christopher has written 10 first-class cook books and enjoys sharing stories from his time training in the kitchens of London's Savoy Hotel to working in Michelin establishments and finally running his own hotel and restaurant. Christopher loves local history and in sharing this knowledge brings Fife to life. A typical tour will include exclusive access and meetings with the producers, sampling of what's in season, lunch and when possible, a meeting with the Crail Harbourmaster.

A final stay in St Andrews will give your clients a chance to sample more of the town's delights, or perhaps they will continue their journey through Scotland and beyond.

An overnight stay with a difference can be found at the **Rusacks St Andrews**, within a sand wedge of the 18th hole of the world-famous Old Course. Stylishly remodelled on a golfing theme, Rusacks St Andrews offers luxurious accommodation occupied by some of the great names in the game's history. The Hotel's Eighteen is a destination rooftop restaurant and bar with unrivalled views across St Andrews Old Course and West Sands Beach.

If your clients wish to dine outside the hotel then the **Seafood Ristorante** is an excellent choice. The unique glass restaurant is located over the beach at St Andrews Bay and sits just behind the world famous Royal and Ancient Golf Club in St Andrews. The exquisite, seasonal menu uses only the best locally sourced, sustainable produce. As your clients dine, they can savour the truly incredible North Sea coastline which stretches out to the breath-taking West Sands Beach and beyond.
